

What do I need to wear for classes?

Street Clothes are NOT acceptable for any classes. The dress code listed below is the uniform for class.

Hip Hop Class:

- Comfortable clothing made for movement - please no street clothes (the clothes you wore to school that day).

We know from experience that when dancers change into their dance clothes it puts them in the right frame of mind for taking class.

- Please put long hair back away from your face (ponytail, braid)
- If you are coming from another class you can wear the same dance clothing for Hip Hop class and just put on your Hip Hop Shoes. If you are coming from ballet, most dancers just add a pair of shorts or leggings.
- Converse/Vans Style flat bottom shoes (there are knock offs)
 - Black w/ white or all black
 - High Top or Low Top
 - RESERVED for inside use/dance ONLY

Jazz Class:

- Fitted clothing - fitted tank or top OR a leotard with leggings or shorts
- Please put long hair back away from your face (ponytail, braid, bun).
- If you are coming from another class you can wear the same dance clothing for Jazz class and just put your jazz shoes on. If you are coming from ballet, most dancers just add a pair of shorts or leggings.
- BLACK slip on jazz shoes (available in the DDD store)
- Jazz shoes that tie are acceptable too.

Rhythm or Ballet Class:

Girls Dress Code:

- Solid colored leotard
- Pink Ballet Tights (we suggest convertible - these have a hole in the bottom and can be taken off their feet easily)
- Pink (leather or leather like) ballet shoes - not the slippers that look like ballet shoes
- Save the skirts and tutus for performances :) They are usually a distraction.

Boys Dress Code:

- Solid colored shorts
- White or any color plain t-shirt. Shirts should be more fitted and not an oversized one that might fit dad or big brother :)
- Black socks
- Black (leather or leather like) ballet shoes - not the slippers that look like ballet shoes

Tap Class:

- Comfortable clothing made for movement - please no street clothes (the clothes you wore to school that day).
- We know from experience that when dancers change into their dance clothes it puts them in the right frame of mind for taking class.
- Please put long hair back away from your face (ponytail, braid, bun).
- If you are coming from another class you can wear the same dance clothing for tap class and just put on your tap shoes. If you are coming from ballet, most dancers just add a pair of shorts or leggings.
